god is going to use someone to walk in purpose meaning destiny and anointing so why not you  
you can operate in your god given abilities when you operate out of your god given identity  
there is a very human tendency to believe the best for others and the worst for ourselves to  
believe that someone else can operate in their full potential while we settle to exist in our  
scraps of talent and personal limitations but what if we could identify these lies for what they  
are and learn to take hold of the life god has actually called us to when ed newton was ten  
years old a woman at mcdonald s prophesied over him that god was going to use him in a  
great way ed who was eating lunch with his deaf parents didn t even have a relationship with  
the lord at the time he had no idea that the story that god was writing would one day be  
something he d feel compelled to share with others ed has walked the road of biblical identity

and is now inviting others to do the same why not you is filled with his stories of growing up as a child of deaf parents coda as well as other life experiences ed shows how the truth of god s word can cut through the web of self doubt so many followers of christ struggle with and show them who god created them to be this book will help readers battle through negative self talk doubts and insecurities retrain their minds to view themselves from god s perspective see their setbacks as setups for success stop questioning their gifts and talents and start living in them backed with scripture and a raw look at his journey from childhood until a miraculous spiritual encounter with the lord in early 2024 ed shows readers that it s not only possible for god to use them but that god wants to use them each chapter challenges readers to confidently walk in the calling and identity god has placed on their lives
